Sir:

Your Petitioner, the applicants, represents that he is the assignor of 100% of the entire right, title and interest in and to U.S. Application Serial No. 10/008,266 entitled (BLANK HUBCAPS) filed on 10/29/2001. Clever Covers, Inc. is the assignee of 100% of the entire right, title and interest in and to said Application, by virtue of Assignment recorded and reflected in Reel/Frame 012363/0784, recordation date 10/29/2001.

Your Petitioner further represents that he is the inventor/owner of 100% of the entire right, title and interest in and to U.S. Patent 6,309,027 issued October 30, 2001

Your Petitioner hereby disclaims except as provided below, the terminal part of any patent granted on said U.S. Application Serial No. 10/008,266, which would extend beyond the expiration date of U.S. Patent 6,309,027 issued October 30, 2001 as presently shortened by any terminal disclaimer. Petitioner hereby agrees that any patent so granted on the instant application shall be enforceable only for and during such period that it and the above listed patent are commonly owned. This agreement runs with any patent granted on the instant application and is binding upon the grantee, its successors, or assigns.

Your Petitioner further agrees that any patent issuing on said U.S. Patent Application Serial No. 10/008,266, shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to said U.S. Patent 6,309,027 issued October 30, 2001 this agreement to run with any patent granted on

said U.S. Patent Application Serial No. 10/008,266 and to be binding upon the grantee, its successors or assigns.

In making the above disclaimer, petitioner does not disclaim any terminal part of any patent granted on the instant application that would extend to the expiration date of the full statutory term as defined in 35 U.S.C. 154 to 156 and 173 of the prior patent, as presently shortened by any terminal disclaimer, in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321, has all claims canceled by a reexamination certificate is reissued, or is in any manner terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer.

The undersigned has reviewed all the documents in the chain of title of the patent application identified above and, to the best of undersigned's knowledge and belief, title is in the applicant identified above.

The undersigned (whose title is supplied below) is empowered to act on behalf of the applicant and the assignee.

The terminal disclaimer fee of \$55.00 required by 37 CFR 1.20(d) is included.

The undersigned further declares that all statements made herein of his own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

Respectfully submitted,
